MEMORANDUM

From Pastor Phillips,

Praise the Lord, my soul, and forget not all his benefits, who forgives all your sins and heals all your diseases, who redeems your life from the pit and crowns you with love and compassion.

Psalm 103:2-4

Greetings St. James family and friends,

The Federal and State Government has mandated that all organizations including churches limit their meetings and worship services to less than ten people in an effort to curb the spread of the Coronavirus. Therefore, we are complying with the mandate by cancelling Worship Services for the next two weeks. I'm asking that we pray mightily for a resolve for this situation and for all who are being impacted. Please check on one another-- we are our brothers and sisters keeper. I'm attempting to figure out how we can have virtual worship services by way of Facebook as we did the past Sunday. I'm asking that everyone stay home the next 2 Sundays. While we are going through this it is important that we continue to support our church through tithes and offerings. The church will be expected to continue to do ministry once this Pandemic has passed. It is important that we continue to support OUR church. Some of our members do not have email and Flock notes (church text messaging), so please help me to spread the word.

More information is forthcoming. Thank you.

God is Real, God is Love, and God wants us to be safe and considerate of each other's well-being.

Blessings,

Rev. Dr. Demetrese D. Phillips, Pastor
